

SPECIMEN
FOR THE
TYPEFACE

Elena

extended edition

Dear
Charlie,

ELENA

Latin • *Italic* • Ελληνικά

Elena was designed to perform well under two contrasting usage scenarios: both text-intensive and display settings. Its low stroke contrast makes this range of use possible without the face becoming brittle at text sizes or chunky and awkward at display sizes. The overall proportions are slightly condensed making it an economical face, but a strong horizontal movement in the forms keeps the overall feeling open and generous. Its high x-height and open counters making it very legible, especially at small sizes.

The typeface Elena is the product of an intensive year of study at the University of Reading. This specimen is the record of both an achievement and a work in progress.

I saw you online.

It's clear you're a sensitive guy who loves long walks, chewing toys, snuggling, a plush blanket and a quiet evening with your people.

I've been watching you from afar for years now. Interested in friendship (or maybe more?) with a like-minded fellow.

IS IT TIME WE MET?

I am a SBF living in the States, but I think destiny can overcome distance.

Do you enjoy having your tummy rubbed, exploring the olfactory elements, and tidbits of people food...

(even tastier when snatched from the hands of small children)?

If so, let's cross leashes.

CHARLIE, I come to see you every day. And... I'm not really sure why. I think partly because of the photography, the fact that someone has taken so much time to be patient with you, patient with themselves, in order to find something that reflects you. LIEVE CHARLIE, Bijna dagelijks kijk ik naar je, ook al weet je dat misschien niet. Jij (of eigenlijk je baasje) gunt mij iedere dag een blik in jou bestaan. Lekker slapen in de zon op je fleecche-dekentje, kroelen met je baasje, of lekker buiten spelen met je bal. Op dat laatste punt na allemaal heel herkenbaar van mijn eigen siameesjes, misschien vind ik je daarom zo leuk. Jullie hebben veel gemeen.

Eigenlijk is het gek, want ik ben geen hondenuitdager. Maar Charlie, jij bent wel lief! En bovendien online aanwezig, wat het veel makkelijker maakt om je lief te vinden. Ik ruik je niet, ik hoor je nooit blaffen, ik hoef je niet uit te laten, niet met een poepzakje achter je aan te kuieren en geen hondenvoer klaar te maken voor je. Je bent de ideale online-hond, ik zie alleen je goede en schattige momenten.

Ik hou van Charlie!!! *Liefs, Agnes*

ΦΙΛΑΔΕΛΦΕΙΑ, ΠΕΝΣΥΛΒΑΝΙΑ

Dear Charlie,

Αγαπητέ Τσάρλι,

I HAVE FOLLOWED YOUR adventures almost every day for the past two years. Despite the fact that I am a grown-up, I have a deep love of small, cute animals. It may not sound like a compliment to you, but you share several physical and personality traits with my beloved Oriental Shorthair cat. You are both very slim, with big ears, long whippy tails and a tendency to get cold even when it is 70 degrees. She also likes to burrow under blankets and nap in sunspots. She used to enjoy being outside, terrorizing the local wildlife, but has moved to the city and cannot go out any more.

I have spent considerable time in England and I must say I was worried about your reaction to the weather. It seems you have handled it with your usual grace and aplomb. Since your owners seem terribly busy, I sometimes let myself

ΑΚΟΛΟΥΘΩ ΤΙΣ ΠΕΡΙΠΕΤΕΙΕΣ σου καθημερινά τα τελευταία δύο χρόνια. Παρά το ότι είμαι μεγάλη, έχω μεγάλη αδυναμία στα μικρά, χαριτωμένα ζώα. Μπορεί να μη σου φαίνεται κομπλιμέντο, αλλά μοιάζεις σε πολλά, στην εμφάνιση και στη συμπεριφορά, με την αγαπημένη μου γάτα Ανατολής. Είστε και οι δύο πολύ αδύνατοι, με μεγάλα αυτιά, μακριές πεταχτές ουρές, και κρυώνετε ακόμα κι όταν έξω έχει 20 βαθμούς. Ακόμα, της αρέσει να χώνεται κάτω από τις κουβέρτες και να χουζουρεύει στον ήλιο. Της άρεσε να είναι έξω και να τρομοκρατεί τα διάφορα ζωντανά, αλλά μετακόμισε στην πόλη και δε μπορεί να βγαίνει έξω πια.

Έχω περάσει αρκετό καιρό στην Αγγλία (England) και ομολογώ ότι ανησυχούσα για την αντίδρασή σου στον καιρό. Φαίνεται όμως ότι χειρίστηκες το θέμα με τη συνήθη σου χάρη και αυτοπεποίθηση.

hope that they may need to find another home for you. Say, a nice sunny place in Philadelphia where a dog-like cat lives? My husband does not think this is likely, as your owners do seem quite attached to you. However, I thought I would extend the offer just in case.

Thanks to you and your people for sharing a little bit of your life to make others smile, even on very bad days.

ALL THE BEST,
Rachel F.

Μιας και τα αφεντικά σου είναι πολύ απασχολημένα, σκέφτομαι καμιά φορά ότι μπορεί να χρειαστεί να βρουν νέο σπίτι για σένα. Τί θα έλεγες για ένα ηλιόλουστο μέρος στη Φιλαδέλφεια (Philadelphia) παρέα με μια γάτα που μοιάζει με σκύλο; Ο σύζυγός μου δε νομίζει ότι έχω πολλές ελπίδες, καθώς τα αφεντικά σου δείχνουν να σε αγαπούν ιδιαίτερα, αλλά στο γράφο για κάθε περίπτωση.

Σε ευχαριστώ, εσένα και τους ανθρώπους γύρω σου, που μοιράζεσαι ένα μικρό κομμάτι της ζωής σου για να κάνουν τους άλλους να χαμογελάσουν, ακόμα κι αν η μέρα δεν είναι καθόλου καλή.

ΜΕ ΤΙΣ ΚΑΛΥΤΕΡΕΣ ΕΥΧΕΣ ΜΟΥ,
Ρέιτσελ Φ.

My husband has Charlie as his homepage. We found Charlie, because we have an IG too. We enjoy seeing the similar behaviors between Charlie and our Odie. ¶We have been tracking Charlie since early 2005 we were especially concerned about how he would handle the trip to England. ¶Many times at dinner I ask my husband, "How's Charlie today?" (My work does not allow outside pages to be on our systems, so I don't keep up everyday.) But on weekends I catch up with Charlie by going backwards in the calendar. So, we love Charlie too. *I first discovered Charlie after seeing him in a web search article in the *Minneapolis Star Tribune*. I haven't missed a day since. ¶Why I love him probably has as much to do with his owners as it does with him. I saw your mom wanted us to write you a love letter & I must say I'm happy to do so. I come to lovecharlie.org every day since I have found the site just to see what's going on in your world. Well, for those of you who can't understand, Mugsy has asked that I translate her message:

Charlie, Hi! I absolutely loved today's [June 18, 2007] picture as well as the chance to write to you. I've been following your page since seeing it on Yahoo! Picks a while back. My human showed it to me and I thought you were pretty cool. It's fun to see your many adventures and various outfits and comfortable bedding ensembles. I also love that you have as much personality as I do! Watching your transition to living across the pond has helped me fight my own anxiety. See, my human moved away six weeks ago to Detroit for a great job offer but I'm still stuck here in Vermont with my dad. Luckily he is joining mommy later this week in Michigan and so my brother, Spike (the cat) and I will be living with BOTH our humans again for real – I couldn't be happier. Besides the connection I feel to your move, here are my top five reasons why your site is the homepage on our computers:

1. You won us over when your human, Nicole, posted the Sony Bravia commercial with the bouncy balls.
2. The pictures of you in your life jacket
3. The pictures of your injuries (I myself have run into trouble a few times)
4. The picture of you at the top of the stairs when your human (Eric) commented on the wallpaper (an all time fav)
5. Gotta love humans who get the importance of their dogs!

I look forward to following your adventures

more from my new home in downtown Detroit (my humans say I'm going to love city living!)

Hi Charlie, I just wanted to tell you how much I enjoy looking at your pictures everyday. I travel quite a bit for work, therefore, my dog, LILI, a White German Shepherd has taken up residence with my parents. Since I do not get a chance to see her everyday, I make sure to look at your pictures to see what you are up to for the day. You always make me smile and sometimes make me laugh and give me that little piece of comfort that she gives me when she is around. ¶Not to mention that while you are an Italian Greyhound and LILI is a German Shepherd, you both do some of the same things and make the same silly faces. ¶Thank you for being you! Dear Charlie: You are the second dog I greet in the morning. My dog Prancer is a greyhound/great dane mix, but the only thing about her that is great dane are her ears. You never fail to bring a smile to my face and I have forwarded your picture to all of my friends at one time or another. You are an internet icon. Love, Linda

Charlie, When I look into your adoring eyes I see my own reflected back to me. Words can not say how I feel about you. You show the world everyday, the way our breed lives life to the fullest. ¶I also, am an adored IG that has a life not quite as adventurous as yours, since I do not have the opportunity to travel the world as you do. I do however get to see the world through your eyes. ¶I could not wish for any more in my own life as I am loved beyond belief but it is most fun to go on adventures with/through you. ¶You are my favorite way to begin each day. *Here is the best to you, Sir Charles! Charlie, I really love you. Every morning Monday through Friday when I get to the office, I can't start my day before I see what you're up to. You are a better eye-opener than a cup of coffee. Mondays are a particularly special treat because I get caught up on what you did over the weekend. ¶I don't even recall when I first met you, Charles, but it was a long, long time ago when you made a guest appearance on a website called Cute Overload. Well, it was love at first sight and I had to check out your own website then. I've been a fan ever since. When I first saw you, you were in your loft somewhere in Minnesota. When you and your folks left the city and went to stay with your grandparents for a while, and then to Eric's folks' place in the country, I have to admit I was really worried for you – you seemed so confused and bewildered. It was fun to see you adjust to your new digs and adapt to life as an explorer of the great outdoors. ¶Then, how stressful it was for your adoring fans as you and your family set off for England! Are they going to enjoy it there? Is Charlie going to be scared on the plane? Will Charlie meet new friends? Will he miss his grandparents? Will it be too confusing for him to find out there is another Prince Charles? Your travels across the pond have been fascinating, but I think we'll all breathe a sigh of relief when you return to the Colonies. ¶Why do I love you so, Charles? Maybe it's because your adorable personality shines in the photos that Nicole posts. Or because you wear your outfits so well. Or because you look so comfy on Eric's lap. No, I think it's because you live your life in a way that we should all strive for: complete with love and compassion, hugs and snuggles, a little exercise, a little rest, some toys, and a few treats. And, you're just doggone cute. *Love you, Tina*

Charlie! We have loved you ever since we stumbled upon your website a couple years ago. I don't even remember how we came across it, but when I saw it I bookmarked it immediately. My parents have an Italian Greyhound named Gizmo who we just LOVE, and you remind me of him. So you are now linked onto our Pug Olive's blog and we look you up quite often to see what your up to. You're just super cute and hilarious in a Gizmo kind of way, so... we love Charlie! ¶Also, we thought it was kind of weird/cool that you guys moved from the US to Europe, like we did a few years before. I was reading and called to my husband... "Hey! Charlie's moving to England!" He goes... "who's Charlie?" haha :) But it's funny reading about the things you dealt with just like we did, the constant winter RAIN for example!

Dear Charles, I am writing to tell you why I return to your website day after day, week after week, month after month. It's because your humans so clearly delight in you! Every day they take your picture and post it on the site. I am impressed by their dedication and loving attentiveness to you and your needs. ¶Additionally, I, too, was a Minnesota transplant in the UK. Years ago I attended university at Birmingham. You probably haven't spent much, if any, time in B'ham – it's an industrial town without much to offer tourists – but it was my home. Later on I returned for graduate school at the University of London. ¶Then, too, there is your sweet face – sometimes mournful, sometimes totally absorbed by whatever it is you're doing. It's very fun to see what's happening in your world. ¶I'm owned by a standard poodle. Not the same as an IG, but still a sometimes funny sometimes

naughty always happy kind of guy. ♪Enjoy your days! *With love, Liz in Minnesnowtah!*

I first saw Charlie's pic on another site (cuteoverload) and he seemed so expressive. I followed the link, and now a visit about 3 times a week. I enjoy your calendar so much, and look forward to seeing what Charlie is doing. My favorite pictures are rare, but they are when Charlie has found some kleenex and is pre-occupied as you snap his photo. ♪It's amazing how an animal can become such a part of your life. I know Charlie has brought you both so much joy. Just know, he makes the rest of the world smile as well. *Hugs and Greenies, Jennifer Havins*

[#25] PALO ALTO, CALIFORNIA

Having moved to the big, bad city (San Francisco) I no longer get to see Solo, my Italian Greyhound, every day. She still lives with my parents. I started reading "Love Charlie" when I went away to college on the east coast – a separation that was even more difficult to bear. ♪Seeing Charlie never fails to make me smile (especially when I get my daily photo at work). Some of the expressions and events are uniquely his, but I love the wonderful IG-ness of the photos. I recognize Solo and her antics in Charlie and it brightens my day. *Love, Shawna (and Solo)*

Dearest Charles, I love you because looking at you is like looking at bliss. Your quirky

elegance is like no other. From your pink spotted nose to your manicured toes, I love you like nobody knows! *Jean Stipelcovich*

Greenies are Green
Charlie is blue
We say hello to him
but not through a haiku

He doesn't like to swim
and loves to chew old gum
His name is really Charles
but shortened it for fun

If you like tennis balls
and pink dusters too
You could love Charlie
as much as we do

Thanks for the pictures, Pesto (IG) and Kim

Dear Charlie,
I think you're addicting
You goofy dog with cute smile
Say "cheese" Charlie, please?

[#32] LOWER BURRELL, PENNSYLVANIA

Dear Charlie, I can't even begin to tell you how much I enjoy seeing your little doggy mug every day. I always end up smiling after I view a rare snapshot of the elusive Charlie in his native (sort of) habitat! I also use your cuteness to try to persuade my boyfriend that an Ital-

ian Greyhound is just... mandatory. It hasn't worked yet, but I have faith. I am always excited to see what goofy or precarious position your parents manage to photograph you in! I've never been good with a camera, so I guess you could say I live vicariously through them. Keep sharing with us, Charlie. You brighten my life one snapshot at a time. *Much Love, Dana*

[#33] NASHVILLE, TENNESSEE

Dearest Charlie, I want you to know, in no uncertain terms, how very much you brighten the morning for me. With the help of your loving "parents," you're provided with all the creature comforts, including some great-looking wraps and blankets, and, of course, greenies! ¶You are a lucky little dog and you deserve it. Thanks for the delight you give us almost every day. *Love and best wishes, (Ms.) Deven Werthman*

[#34] BROOKLYN, NEW YORK

Dear Charlie,
We live vicariously
Through you
Whether it be soaking up a patch of sun
Or burrowing into a warm pile of laundry
Your daily doings
Fill us with joy
And show us that love
Exists
Outside a realm of our own.
Thank you Charlie!

Love, Ted, Julie & Olive

[#35] HOUSTON, TEXAS

Dear Charlie, I like to visit your website and look at your pictures because you remind me of my little dogs. They are English Toy Spaniels named Macallan, Auchentoshen, Talisker and Nicole. They are just as cute and indolent and sun-loving, but they don't wear clothes because they have much longer hair and live in a warm

city. ¶I hope you are enjoying England.
Your Fan, Crystal

[#367] Chicago

Dearest Charles, I discovered your existence almost two years ago and have yet to meet (tangibly or otherwise) a more delightful Italian Greyhound! I look forward to your photos six days a week and learning about your escapades! I hope England is treating you well and the rain doesn't hamper your cheerfulness or ball-playing endeavors. ¶Much love and best wishes to you and your roommates.
Love, Caitlin Thomas

Dear Charlie, Saturday mornings make me sad.

Why?

Because there is no new photo of your beautiful self.

I miss you on Saturdays.

Your website is my favorite.

I love you, Charlie. You are so stinking cute! (I love your coloring.) ¶You remind me of my IG, from your roasting in the sun, to your obsession with tissues, to your thieving ways. ¶I can't wait to see what you are up to each day. You are one fine dog! *Love, Darlene*

[#47] ROBBINSDALE, MINNESOTA

My human and I have followed your exploits from the Twin Cities, to the lake house and

now to the UK. I'm stuck here in Robbinsdale wishing I could have some of your fun times. Although I have caught and played with squirrels which is way more exciting than watching the rain. I raced in Kansas City and now enjoy spooking the cats by running around in circles and tearing up the sod in the backyard. I am quite a bit bigger than you - 70 lbs - but very friendly. In fact, I have three IG friends who live on the next block. We hope you have more fun times before you come back. *Jada the Grey(t)hound and Audrey*

[#48] EVANSTON, ILLINOIS

Dear Charlie: We love, love, love you! ¶A friend told us about your site after we started our own picture a day projects last year and we've been checking in religiously ever since. ¶Our apartment does not allow for dogs and Mobley and Sparky, being parrots, aren't so sure they'd like a canine sibling anyway. So Charlie, you are the doggie fix for the humans in this household. *Love, Naomi, Kevin, Mobley and Sparky*

[#50] CALIFORNIA

Charles, I've been observing your antics for a couple of years now, watching you carouse around and nibble on chewies and snuggle adorably betwixt blankets and pillows. I have trolled your archives and have seen the progression from totally edible puppy to assured, if rather gangly, dog. ¶Your floppy ears and prominent nose are cuter than a baby kitten nibbling on a cupcake. Your "Powersave Mode" expressions are Smithsonian-worthy in their awesomeness. Seeing you devour tissues with the voracity of a lion assures me that it's not only my own dog that possesses this unhealthy obsession with paper products. ¶Whenever

I'm having a bad day, I always pull up *love, charlie* to see what's going on in <s>Metro Minnesota</s>, <s>Rural Minnesota</s>, Jolly Old England and get a smile out of your goofy expressions. (As a graphic design student, I always peek at your parents' computer screens whenever they're in the shot to see what they're up to.) ¶So here's to you, Charlie, for being the greatest Italian Greyhound I never knew. *Love, Anna (and Wilson The Dog)*

[#51] MINNEAPOLIS, MINNESOTA

Charlie, Charlie is so cute in a sweater or his birthday suit. Cuddled up under the sun, Charlie is such a lovable one. On a boat or in his home, Charlie likes to play and roam. In a field, fetching a ball... Charlie is the best of all! In MN and across the sea, Charlie makes us all happy. Adventurous, quirky, and just plain curious... If you don't love Charlie, you must be delirious! *Love, Jennifer Lien*

[#52] PHILADELPHIA

I have been a faithful follower of your site for a few years now. My Beans (Monkey, Jellybean and Stringbean are on your friends page) and I love tuning into your page daily to see what your up to. Sometimes when I'm away from my computer for a few days I get excited knowing I have a double or triple dose of Charlie days to check out. Sometimes when my Iggies are away it helps me feel closer to them when I see you. You also resemble my Monkey very much, and your birthdays are days apart and you are the same age. I wasn't sure how I felt about you and your family moving to the UK, I don't think your pictures are as vibrant due to the constant overcast days or the neutral decor of your new

home. I really love all your cozy blankets and beds and miss seeing your custom hats and coats your mommy made for you. You're like a distant pet of my own that I can watch grow daily. *Lots of kisses and greenies, Tanya*

[#53] TEXAS

Dear Charlie, I enjoy visiting your site often, to see what kind of fun and mischief you are up to. You seem to enjoy the same sorts of things that my two Iggys do. (Louie, who passed last December, and our new fella, Slugger.) Also, the cutest thing in the world to me is seeing your slender Iggy nose poking out from beneath a blanket. You IG's sure love your snuggly blankets. I hope you have a great day! Amanda

[#54] MERRITT ISLAND, FLORIDA

Dear Charlie, I love looking at your pictures everyday. If I didn't love Corgis so much I totally would have gotten an Italian Greyhound. I can't believe you got to move to London. I am super jealous. Stay cute, Maily

Hello, Charlie. Talula (My Boston Terrier) and I love to look at your site. It makes us happy. ¶Although, I have to say, it's gotten me into a little bit of trouble as Talula would like to know why she doesn't have a site of her own... ¶We wish you many happy days and an endless supply of Greenies. Love, Raquel and Talula

[#56] SIOUX FALLS, SD

Hi Charlie, Just sending you a little love from Jinx, Jax and Abby. We all love seeing what you are up to everyday. We enjoy the same fun games of fetch in the park and laying in the sun spots around the house. We hope you keep enjoying your stay in England, it sure looks like you're having fun. Love, Jinx, Jax, Abby and our mom Heather

[#57] SEATTLE, WASHINGTON

Charlie - you make me smile every day. I love your expressive face and your transparent 'heel' area. The way you snuggle under the covers is charming. I am impressed by your fashion sense and wardrobe. Your humans are lucky to have you in their lives, and I think they know that! Warm regards from Seattle

*Oh Charlie, oh Charlie, you are the one!
Oh Charlie, oh Charlie, you are such fun!*

*And the melody goes on and on... My Italian Greyhounds, Piccolo and Daisy, and I read your letter every day. We love the photos and think you are such a handsome fellow! And you are so well traveled! My dogs are also comforted by knowing that you face some of the same trials they do... rainy days, boredom, running out of "greenies." Mostly you just make us smile!

Ode To Charlie

Oh Charlie, you devilishly handsome, sweeter than southern tea little man! ♡What snuggle bug could compare to you? ♡You while away your days chasing balls in the park, visiting friends of both the furry and non-furry variety (you are, of course, an equal opportunity friend maker). Examining your parent's daily activities, you excel in your management position. And you are, as always, dressed to the nines! ♡What a bright spot you are in my daily routine. I look forward to your daily goings-on, which remind me where the true value of life lies. ♡Thank you, sweet Charlie, from the bottom of my non furry little heart. *Theresa (along with Mokie and Bella, my Iggies)*

Dear Charlie,

My mommy tells me I am sleepy. Funny. A Snuggle bunny.

I chew. Chase. Beg. Bark.

I love ear rubs. Back scratches. But am not fond of black cats.

Favorites include chasing birds. Rawhide treats. 6 letters. Very sweet.

Oliver.

Dear Charlie, Remember when we used to play together? You liked to crawl up by our ears. We liked to rub your belly. It's okay with us if you can't recall those fun times. We're not trying to make you feel bad or anything. But boy, those are some happy memories! Anyways, it's been a long time and we miss you. Perhaps someday soon you will again be near enough to play with us and meet our dog Sandy. *Fondly, Erin and Devin*
